

MEMBERSHIP FEES

The membership fee for Southeast Water Users District (SEWUD) is \$700.00 to become a member of SEWUD. This fee is for all new membership applications & also for service where there is a vacant curb-stop. This membership fee includes the meter package & other parts needed to get water service to a location. Your other expense will include hiring an approved contractor to install the water for you. SEWUD does not do that type of work.

or a Rental Waiver may be signed by the owner waiving the rental deposit if they choose. Please contact the office for the form and more information.

Change of Ownership

This does not cost any money - it is simply paperwork. We require a Transfer Letter from the former owner and a new Membership Form signed by the new owner on file before the billing status can be changed. Remember that a final meter reading must be taken and reported to the office and the previous owner will receive one more billing after that. The new owner will receive a billing card asking for a meter reading only, the first month of ownership.

PAY — BY — BANK

Southeast Water Users District and your financial institution are working together to offer you the opportunity to automatically pay your bill each month. Instead of sending a check each month, you authorize the exact amount to be automatically withdrawn from your checking account. You will still receive your billing card each month so that you will know exactly how much will be taken from your account. You may submit your reading either by phone or by our web-site at seh2o.com or you may also e-mail Deb @ sewu@rt.net. Not only will your payment always be on time even when you are away from home, but you will never receive a late fee. For sign up, just contact the office and we will mail you out a form or you may go to our web-site @ seh2o.com, fill out and return to the office.
