

Southeast Water Users District – Central
Qualifications and Approximate Costs

New Membership Fee to Southeast Water Users \$2000.00

This is the only fee that you need to remit to Southeast Water Users.

Includes a 1” curb-stop, riser, meter package, and wet-tap connections needed for installation.

Line Installation From Our Main Line to Your Premises

Homeowner’s responsibility; not SEWUD. We give you the choice which contractor you hire, the contractor needs to be licensed and bonded to install line as per SEWUD regulations. It is the individual owner’s responsibility getting quote from contractors

After installation: from curb-stop to home is the owner’s responsibility and from the curb-stop to main line SEWUD shall assume responsibility. Installation of meter shall be done by homeowner or a licensed plumber.

New Member Service and Water Rates

All New Residential Service Rates are now \$55 per month

Water usage is \$6.00/1,000 gallons up to 25,000 gallons
 \$5.00/1,000 gallons after 25,000 gallons

Homeowner is responsible for reporting their meter reading each month and paying their bill each month. If no reading is reported the usage is estimated and a fee of \$5 will be added. The late penalty rate is 10% of the unpaid balance per month after the 10th of each month.
